Spring 2024 Career Transition Workshop for Veterinarians

Registration will open February 1, 2024 for the March workshop.

Hosted by
Virginia Tech - Center for Public and Corporate Veterinary Medicine
Kansas State University – Olathe

Need a change? New challenges? Feeling burned out?
Learn how to create a new career path!

This online workshop for veterinarians will include information on career opportunities in public and corporate veterinary medicine, with a particular emphasis on careers in the animal health industry.

- **Topics:** career and self-assessment, resume building, job searching, working with a recruiter, professional networking, non-private practice career opportunities, and other key career transition issues.
- **Format:** short lectures, individual and group activities, group discussions, expert panels, and networking opportunities. Invited speakers include: industry veterinarians, federal / state veterinarians, veterinary recruiters, and more!
- **Platform:** online via Zoom - details will be sent upon registration
- **Too busy?** Recognizing that attendees may have schedule conflicts, lectures and panel discussions will be recorded for later viewing.

**WHEN (Dates are firm; times will be finalized when registration opens February 1):**

March 25, Monday (6:30 pm to 8:30 pm EST)
March 28, Thursday (6:30 pm to 8:30 pm EST)
March 29, Friday (6:30 pm to 8:30 pm EST)
March 30, Saturday (3:00 pm to 6:00 pm EST)
April 4, Thursday (6:30 pm to 8:30 pm EST)
April 5, Friday (6:30 pm to 8:30 pm EST)
April 6, Saturday (3:00 pm to 6:00 pm EST)

**CREDITS:** This program is being submitted for 8.0 hours of RACE® continuing education credit.

**COST:** $225

**REGISTRATION:** We’ll update this announcement on Feb 1st with times and registration link.
